

Thinking about your savings? So are we...

Some banks are so worried about survival, they're not spending much time thinking about you.

At Virginia Company Bank, we're always looking for ways to help you succeed.

For instance, we offer a service called CDARS®. It gives you access to up to \$50 million in FDIC insurance on your CD investments. And that's just one of the creative ways we can help your money grow... and remain secure.

Talk with us today about this and other smart options.
